Disclaimer:

1. Our printing process for full-wrap cups is a high-resolution, full color process known as CMYK. PMS codes will be converted to CMYK at no charge. CMYK is very accurate, but there are some colors not as accurate as others such as brighter oranges or other neon colors. If you use a bright orange, please contact a team member.
2. Black mixes using 60% C, 40% M, 40% Y, and 100% K are recommended.
3. Text smaller than 7pt might not be legible. Thickness of lines below 0.5pt might differ from screen appearance.
4. PDFs and PNGs are for content and not color correct.

5. Bands of color running around the cup may not join correctly at the seam due to movement when cup is formed. Please allow for 1mm of movement up and down.

6. If you are viewing this PDF on a computer screen, please be aware the colors you are seeing may not be accurate to the final printed product. Many factors can affect the accuracy including: screen quality, calibration, RGB screen representation. Please also do not print off the PDF on your printer and expect any accuracy in color. There is no way to verify the result due to printer calibration differences.

7. YBC is not responsible for obtaining copyrights of the designs involved in printing.

By signing this proof, the customer agrees to Your Brand Café and its parent company, RCB Industries, use of customers name and printed cups or sleeves as trade reference or samples.
